My Story of Community Support

Video Project

Visit [My Story of Community Support](#) to learn about the impact community health services are having in the lives of seniors, adults with disabilities, and their families. These short videos touch on the valuable day-to-day differences community agencies are making to keep people living healthy at home. Member agencies are encouraged to share these powerful and informative videos.

Watch and share the videos: www.mystoryofcommunitysupport.ca

Watch the videos

Joan has lived in her home for 61 years. Learn how community supports are empowering Joan and her family to remain at home and be healthy.

Nicole et son mari participent à des programmes qui font une différence dans leur vie grâce au soutien communautaire. Apprenez-en davantage sur la façon dont l'accès aux programmes de traitement de la démence l'a aidée en tant que soignante.

UPCOMING EVENTS

ONLINE NETWORK MEETING

CCSN Network Conversations

Thursday, September 26, 2019

9:30 - 11:00 am

Join members of CCSN for our upcoming September online meeting featuring an update and discussion with OCSA and developments with Ontario Health Teams.

Agencies and staff are welcome to join our regular CCSN Leadership meeting to learn more from our partners, provide input on special initiatives.
